Profile

Real estate virtual assistant with 10 years of graphic and web design experience, including 6 years in real estate marketing. Supports U.S. agents with short-form video, Canva graphics, captions, social media scheduling, email newsletters and Lofty CRM upkeep. Experienced working U.S. Eastern hours, works independently, and personally completes every task.

Work Experience

Real Estate Virtual Assistant — Present

Freelance · U.S. Real Estate Agent

- Create social media graphics and real estate marketing materials for the agent's listings and personal brand.
- Maintain and update contacts and records in Lofty CRM.
- Work through assigned tasks independently and deliver them before the start of the agent's U.S. workday.

Graphic Designer — July 2020 – September 2026

Built to Suit Brands

Winter Park, FL · Remote, 8:00 AM – 5:00 PM EST

- Designed real estate marketing materials, including social media graphics, flyers, brochures, email campaigns and offering memorandums, while keeping each brand consistent.
- Designed newsletters and email blasts, then uploaded and scheduled them in Constant Contact.
- Assisted with email management and general administrative tasks.
- Organized and cleaned up digital files and folders; supported day-to-day business tasks across multiple deadlines.

Graphic/Web Designer — January 2019 – June 2022

TJ Walton Marketing

- Supported marketing work, including web design and revisions and graphic materials.

Web Developer — October 2017 – January 2019

Affinity Express

TechnoHub, Diliman, Quezon City

- Developed WordPress websites with social media integration and search engine optimization.

Web Designer — August 2015 – October 2017

Personiv

Northgate Cyberzone, Alabang

- Designed and coded websites to client specifications and created web graphics such as banners and CTAs.

Education

BS in Information Technology — June 2011 – April 2015

Adamson University

900 San Marcelino Street, Ermita, Manila
